“Global Manufacturing & Services”

The 17th International Conference on Flexible Automation and Intelligent Manufacturing (2007 FAIM) focuses on current research, best practices and future trends within the areas of global competitiveness, and rapidly advancing technologies in flexible automation, information management, and intelligent manufacturing. The conference provides a forum for both researchers and practitioners in the above fields to share the latest research, developments and practices in the areas of the conference scope.

Topics include, but are not limited to:

- Simulation & Manufacturing Systems
- Manufacturing Processes and Technology
- Bio. Engineering
- Medical Equipment and Healthcare Systems
- Product Development and Concurrent Engineering
- Business Process Management and Re-Engineering
- Global Manufacturing, Supply Chain, and Logistics
- Lean and Agile Manufacturing, and Best Practices
- Manufacturing Enterprise Computing and Integration
- Industrial Automation and Process Control
- Production Planning and Scheduling
- MES/CAD/CAM/FMS/CIM
- Robotics and Factory Systems
- Sensor-Based Process Monitoring and Remote Control
- Artificial Intelligence in Manufacturing
- Quality Control and Total Quality Management
- IT and Internet Applications and E-Manufacturing
- Human Factors and Workforce in Manufacturing
- Environmental, Health and Safety Engineering
- Sustainability, Education, and Training
- Rapid Prototyping
- Materials Technology
- Services Science, Management, and Engineering
- Other Relevant Topics

Submission of Abstracts

Authors are requested to submit an abstract written in English of approximately 300 words by E-mail or via the website. Abstracts will be reviewed and the corresponding author notified of the outcome. Authors of accepted abstracts will be asked to furnish an electronic copy ready version of the full paper. All submitted papers will be peer reviewed, and at least one author must register in order to have the paper published in the proceedings. A maximum of two papers per author are permitted. For full-paper submission please follow instructions on the website.

Important Dates

Latest Date for Abstracts: **Nov. 20th, 2006**
Notification of Acceptance: **Dec. 10th, 2006**
Latest Date for Full Paper: **Jan. 20th, 2007**
Notification of Acceptance: **Mar. 20th, 2007**
Latest Date for Final Paper: **Apr. 20th 2007**

Registration Fees

Presenting Author: **US\$600**
Co-Author: **US\$500**
Delegate : **US\$500**
Research Student: **US\$300**

The full registration fee will cover all sessions of the conference, hard copy/CD ROM of the proceedings, refreshments, lunches, and the conference banquet. A welcome reception will be held on the evening prior to the first day.

Proceedings

After reviewing, all accepted papers submitted by April 21st will be published in the proceedings.

Accommodation

Special conference rates for accommodation are available for all participants and accompanying persons. Please refer to the conference web site for timely updates.
